

# Specification

## 15"PC touch screen AD player SP-AD150PCT

Processor Type	Intel Celeron
Processor Speed	1.0GHZ
Processor Configuration	Single Core
HDD	4G CF CARD Type II ( 40G HDD Selectable)
Memory (RAM)	256M
USB Interface	4 USB port ( can connecting USB wireless)
Control	Touch screen/Mouse/Keyboard/Remote
Network Interface	RJ45 Lan Port
Graphic Memory	32M

### LCD Specification

Screen Size	15 inch 4:3 panel(diagonally)
Resolution	1024*768
Brightness	350cd/m <sup>2</sup>
Contrast Ratio	500:1 minimum

### Touch screen Specifications

Response time	≅ 10ms
Operation press	< 100g
Pen press	5-60G
Finger press	5-100G
Surface hardness	≅ 2H
Life time	1,000,000 times
Optical transparent ratio	> 80% 550nm wave length
Operation temperature	--10°C---+60°C ,20%--90% RH
Storage temperature	-20°C---+70°C ,0-95% RH

### Touch Screen

15 inch 4:3 resistance panel(diagonally)
--

### Touch Screen port support

RS232
-------

### Function of remote

1.Brightness adjustment	2.Contrast ratio adjustment
3.Color adjustment	4.Volume adjustment
5.OSD Language: English.Chinese	

### Audio and speakers

Built-in speakes	Undetachable
Maximum Audio Output	8ohm *2W*2
Sound multiplex circuit	Spatial Stereo

### Configuration

Metal and hardware housing
----------------------------

### Mount Support

75*75CM VESA Wall Mount / Wall Mouting Hole
---

### Lockout function

Yes
-----

### Power Consumption

<30W
------

### Included

SP-AD150PPCT(main unit)
Metal mounting board(optional)
Remote control
Operation manual
